Intersectionality

Trauma informed response

Community level response

Vicarious liability

Resources

Presenter: Presenter: Carol Mosely, MA

Carol served as the Healthy Campus Project Director for the Georgia Healthy Campus Initiative, 2017 - 2019. Prior to that initiative, Carol was a Director at We End Violence, a company that provided sexual violence prevention materials and training to higher education institutions and the U.S. military. Carol was the Director of the Rape Prevention Education Program at the University of California at Santa Barbara for 12 years. During that time, she was also a Subject Matter Expert for California POST (Peace Officers Standards and Training), serving on the team that developed and provided training on trauma-informed investigations.
